

Chronometer:

Een aparte discipline
in het wielrennen
is het rijden
als een diesel engine.

*Volledig op jezelf aangewezen
niet verschuilen in 't peloton
kleur bekennen bij het racen
met de blik op oneindig en gaan.*

Afzien op vermogen
tegen het randje
op het grootste tandje
de tijd ongelogen.

De chronometer loopt
man tegen man
kilometers lang
geleidelijk aan gesloopt.

*De kunst is het verdelen
je krachten te (her-)kennen
uitgeput over de meet te rennen
pas dan tijd om wonden te helen.*

Rolling Stones – Time Is On My Side Lyrics

Time is on my side, yes it is.
Time is on my side, yes it is.
Now you all were saying that you want to be free
But you'll come runnin' back (I said you would baby),
You'll come runnin' back (like I told you so many times before),
You'll come runnin' back to me.

Time is on my side, yes it is.
Time is on my side, yes it is.
You're searching for good times but just wait and see,
You'll come runnin' back (I said you would darling),
You'll come runnin' back (Spent the rest of life with ya baby),
You'll come runnin' back to me.

Go ahead baby, go ahead, go ahead and light
up the town!
And baby, do anything your heart desires
Remember, I'll always be around.
And I know, I know like I told you so many
times before
You're gonna come back,
Yeah you're going to come back baby
Knockin', knockin' right on my door.

Time is on my side, yes it is.
Time is on my side, yes it is.
'Cause I got the real love, the kind that you need.
You'll come runnin' back (I knew you would one day),
You'll come runnin' back (Baby I told you before),
You'll come runnin' back to me.

Time, time, time is on my side, yes it is.
Time, time, time is on my side, yes it is.
Time, time, time is on my side
