

## Podium of Jodium

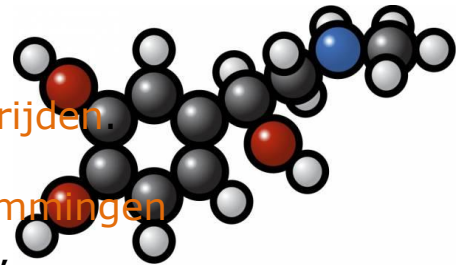

De Tour is sensatie  
spanning en heroïek  
het gaat om sensatie  
de flow en de dynamiek.

Ieder jaar een ander parcours  
om supporters en sponsors  
met een bloedstollende koers  
op de weg of voor de buis te bekoren.

In het peloton wordt gesproken  
nu weer na vele valpartijen  
over botten die worden gebroken  
om voor "Podium of Jodium" te **strijden**.

Benauwend komen na steile **beklimmingen**  
smalle, bochtige en met scheuren,  
bezaaide gruwelijke afdalingen  
alleen adrenaline om renners op te beuren.

Adrenaline  $C_9H_{13}NO_3$

Ongeremd en met volle vaart  
de diepte ingestort  
hopende dat vallen hen wordt bespaard  
en geen seconde verloren wordt.

Rustdag en wonden likken  
uitrijden en jezelf presenteren  
en om de moraal op te krikken  
genoeg om nog een week te presteren.

## Adrenaline-Shinedown

Give me the wheel, so we can move a little faster  
I make it real, I'm not a glorious disaster  
What part of living says you gotta die?  
I plan on burning through another nine lives  
One more for measure, that's ten for the soul  
That never sleeps, so are you ready to go?

Bloodshot against the clear blue sky!  
Tick tock, I think the well is running dry!  
My my!  
I can't lie!  
I need a shot again, that sweet adrenaline  
Dead scared 'cause I'm fearless in the head!  
Bang! Bang! 'Cause the needle's in the red!  
My my!  
I can't lie!  
I need a shot again, that sweet adrenaline  
My my!  
My sweet adrenaline!

Crack in the vision, who said the motivation's all wrong?  
Not your decision, the detonation of a time bomb  
Which way is up, when your high is low?  
It's time to find it are you ready to go?

Bloodshot against the clear blue sky!  
Tick tock, I think the well is running dry!  
My my!  
I can't lie!  
I need a shot again, that sweet adrenaline  
Dead scared 'cause I'm fearless in the head!  
Bang! Bang! 'Cause the needle's in the red!  
My my!  
I can't lie!  
I need a shot again, that sweet adrenaline!  
My my!  
My sweet adrenaline!

My my, I just can't lie,  
It's the speed and the sound that I'm dying to try  
My my, I just can't lie,  
It's the love of the chase that created the ride!

Bloodshot against the clear blue sky!  
Tick tock, I think the well is running dry!  
My my! (My my!)  
I can't lie! (Can't lie!)  
I need a shot again, that sweet adrenaline  
Dead scared 'cause I'm fearless in the head!  
Bang! Bang! 'Cause the needle's in the red!  
My my! (My my!)  
I can't lie! (Can't lie!)  
I need a shot again, that sweet adrenaline  
My my! (My my!)  
I can't lie! (Can't lie!)  
I need a shot again, that sweet adrenaline  
My my! (My my!)  
My sweet adrenaline!
