

## Neergestreven

Een eerste opzienbarend optreden  
buiten het Europees grondgebied  
de karavaan is neergestreven  
in het verre land van de Israëliet.

De openingsetappe ging nog wel  
individueel al heel beladen  
toppers als goede tegen de kwade  
wie wint in het secondespel?

De Giro bekend om zwaarte  
en de komende voorbode van hitte  
nu al tijdens de twee volgende ritten  
door de woestijn, over ellenlange straten.

*Geen moer te beleven  
blote tieten over de hekken  
moet dat publiek trekken  
is dat alles wat er is te geven?*

Gelukkig gaat het peloton  
morgen weer terug naar de basis  
te hopen dat het niet te laat is  
en commercie als uitgedroogde bron.

De strijd is wel ingezet  
een gat is geslagen  
niemand kan versagen  
het wordt vast echte fietspret.

# Don't Give Up – Peter Gabriel (& Kate Bush)

In this proud land we grew up strong  
We were wanted all along  
I was taught to fight, taught to win  
I never thought I could fail

No fight left or so it seems  
I am a man whose dreams have all deserted  
I've changed my face, I've changed my name  
But no one wants you when you lose

Don't give up  
Cause you have friends  
Don't give up  
You're not beaten yet  
Don't give up  
I know you can make it good

Though I saw it all around  
Never thought I could be affected  
Thought that we'd be the last to go  
It is so strange the way things turn

Drove the night toward my home  
The place that I was born, on the lakeside  
As daylight broke, I saw the earth  
The trees had burned down to the ground

Don't give up  
You still have us  
Don't give up  
We don't need much of anything  
Don't give up  
'cause somewhere there's a place  
Where we belong

Rest your head  
You worry too much  
It's going to be alright  
When times get rough  
You can fall back on us  
Don't give up  
Please don't give up

'got to walk out of here  
I can't take anymore  
Going to stand on that bridge  
Keep my eyes down below  
Whatever may come  
And whatever may go  
That river's flowing  
That river's flowing

Moved on to another town  
Tried hard to settle down  
For every job, so many men  
So many men no-one needs

Don't give up  
'cause you have friends  
Don't give up  
You're not the only one  
Don't give up  
No reason to be ashamed  
Don't give up  
You still have us  
Don't give up now  
We're proud of who you are  
Don't give up  
You know it's never been easy  
Don't give up  
'cause I believe there's the a place  
There's a place where we belong
