

Contracten

Hoewel soms lucratief als je kopman bent staat het in geen verhouding sportief tot die van een voetbal talent.

Maar het verschil tussen vrouw en vent in deze sport is kwalitatief nog te bestempelen als decadent en maatschappelijk niet representatief.

Nu is fietsen al vol met ongerief denk aan het hobbelen op je krent de vrouwen nemen het voor lief anders krijgen ze in het geheel geen cent.

Misstanden in contracten zijn ze gewend bij ziekte of in verwachting geen geld in het verschiet pesterijen om gewicht zijn ingeprent en strijden om winst met chantage en seksuele intimidatie.

Dat zij moeten sabbelen is inherent aan het missen van diplomatie en een manager die voor hen rent en hen behandeld met eer en gratie.

Onbekendheid met de wet remt de salaris vooruitgang en de isolatie van een vrouwen bolwerk stemt tot groeiend ongenoegen bij de KN WielerUnie.

"The Contract" – Area 11

You've spent a lifetime locked in the same mindset
You break the contract, and smile away your debt
I play for closure, through the fear and the thrill of the fight
Move a little bit closer, 'cause you're in for a jagged night
Hold tight

I close my eyes; a toxic calling
Just let it resonate, we call it suffering
Fear constricts my hand, still I won't sign the line
We know just who to trust this time

I want you to give me what I need
Lay waste to your beliefs, rebuild yourself for me
I want you to come alive again
To come alive again

I feign obsession, and abbreviate my fuse
You're my possession, until I'm done with you
And I see it shining through, wear my promise as a bruise

I close my eyes; a toxic calling
Just let it resonate, we call it suffering
Trying to forget, the things I could have said
Each word a rusted arrowhead, we salute and drink from lead

I want you to give me what I need
Lay waste to your beliefs, rebuild yourself for me
I want you to feel as I feel
Repairing who you are, becoming my ideal
I want you; submit yourself to me
Your body and your mind; give it willingly
I want you to come alive again
To come alive again

I want you

I want you to give me what I need
Lay waste to your beliefs, rebuild yourself for me
I want you to feel as I feel
Repairing who you are, becoming my ideal
I want you; submit yourself to me
Your body and your mind, give it willingly
I want you to come alive again
To come alive again

Just sign the contract
