

TV19/1116 Vermoeiend

Het is heel wat  
het zien groeien van het blad.

zo'n druilerige dag, drijfnat  
dat je de verstrijkende tijd vergat.

Bewegenloos op de bank op je gat  
terwijl de regen voor je ogen spat.

Lusteloos, je voelt je afgemat  
teneergeslagen of zo, ja dat.

Dingen te doen, zat  
maar willen is ook zo wat.

Dus met een boek i.p.v. het fietspad  
op uitkijk naar de groei van het blad.

# DRAINED – IN FLAMES

What we had we threw away  
When we were close to heaven  
But we ended up in hell  
What we had we threw away

Just 'cause the hurt doesn't show  
There's no way to recover, you broke my heart in two  
I had a dream of growing old  
I saw us driving to the end of the road

We had this world of make-believe  
I thought I saw the fire in your eyes

You ripped the heart out, you ripped the heart out  
You ripped the heart out of my will to survive  
You ripped the heart out, you ripped the heart out  
You killed the part of me that kept us alive

I am drained and out of phase  
I was shooting straight, but you stole my aim  
Could have walked for miles  
We were supposed to be the end of the line

We had this world of make-believe  
I thought I saw the fire in your eyes

You ripped the heart out, you ripped the heart out  
You ripped the heart out of my will to survive  
You ripped the heart out, you ripped the heart out  
You killed the part of me that kept us alive  
And you killed the part of me that kept us alive

We had this world of make-believe  
I thought I saw the fire in your eyes

You ripped the heart out, you ripped the heart out  
You ripped the heart out of my will to survive  
You ripped the heart out, you ripped the heart out  
You killed the part of me that kept us alive  
You ripped the heart out, you ripped the heart out  
You killed the part of me that kept us alive
